

RECIPROCITY APPLICATION

- Only complete applications will be processed; a complete application includes all applicable supporting documents and fees. Incomplete applications will be considered withdrawn.
- There are two ways to qualify for a license by reciprocity in Arizona: (A) license for license or (B) examination. For either type you need:
 1. A complete application (see below) including your valid Social Security Number and proof of citizenship or alien status;
 2. The fee of \$110 by cashier's check or money order only for reciprocity and a fee of \$25.00 for the Infection Protection and Law class paid by cashier's check or money order only.
 3. A copy of your current license in another state or country (if applicable);
 4. Verification of status as set forth in (A) or (B) below; and
 5. An independent evaluation as explained below, if applicable;
 6. Two 2x2 passport photos.
 7. Infection Protection and Law class form.

(A) License for license: If you qualify, this may be the easier way to obtain a reciprocity license. Provide a certification of a current license from another state or country including the beginning and ending dates of licensure; i.e., a "license" is renewed at set times. A "permit to work" or "health certificate" (which may or may not be good for a lifetime) is not acceptable. Contact your governing board to obtain a certification of licensure and include it with your application. **DO NOT OPEN THE ENVELOPE.** (If they will not mail directly to you, have them send it here.)

National Interstate Council Examination: If you have taken and passed the written and practical portions of this examination within the last year but are not yet licensed, provide a state certification to that effect.

- If applying for a cosmetology license and the license does not state "Cosmetology," a certification showing the curriculum (or an independent evaluation [see below]) is necessary; i.e., hairdressing must include nails and aesthetics in the course curriculum. Arizona does not have a dedicated "hairdressing" license.

or

(B) Examination: If your government does not "license" or if you attended school and did not license in a state or country that does not verify hours, you may still qualify for reciprocity by education and examination. Obtain verification of hours, curriculum studied, and graduation from a school with substantially similar requirements corresponding with Arizona law. The evaluation service will assess education received. (If your state does verify hours and graduation, obtain a certification, have it mailed to you, and include it with your application. **DO NOT OPEN THE ENVELOPE.**)

- If you qualify for examination, you will be contacted with further information and fees.
- If your license in another state is not current but a certification will be provided by the governing board, include it with your application. If a separate evaluation is necessary, you will be contacted.

If you received your training or licensure outside the United States or have graduated within the U.S, but are not licensed, and the state board from that state in which you have put in those hours, does not verify hours: (1) Contact an independent evaluation service of your choice; or an evaluation service listed below

(2) Send information and fees for evaluation only directly to the service, not to this Board; (DO NOT SEND RECIPROCITY APPLICATION AND RECIPROCITY FEE TO THE EVALUATION SERVICE)

(3) Ask for a general evaluation and have the evaluation sent directly to you;

(4) **Do not open the envelope;**

(5) **Include the evaluation with your application and fee for reciprocity and send to The Arizona State Board of Cosmetology;**

Any dispute with information obtained (or information not found) will be between the applicant and their Board of Cosmetology.** If you have questions about these policies, please contact that state board.
